Rain Check

FASHION EQUALS FUNCTION FOR SWEDISH LABEL STUTTERHEIM'S TAILORED, WATERPROOF COATS.

**HEAD SPACE** | Hoods are cut to maximize peripheral vision—"useful when biking or crossing the street," says cofounder Johan Loman.

**MAKER'S MARK** | Each coat is handmade using high-quality rubberized cotton, while elongated cuffs with double-welded seams help keep clothes dry.

**GOOD FORM** | The straight cut works for both men and women. "The shape evokes the traditional fisherman's raincoat, but with an updated, slimmer silhouette," Loman says.

**IN LIVING COLOR** | The lightweight coats come in classic hues like charcoal, black, green, white, and navy. [stutterheim.com](http://stutterheim.com); from \$295. —LINDSEY OLANDER
